FINANCIAL UNDERSTANDING AND ASSIGNMENT OF BENEFITS

In consideration of the medical services to be rendered to me today and in the future, I HEREBY INDIVIDUALLY OBLIGATE MYSELF TO PAY THE ACCOUNT OF **Interventional Spine & Pain**, PA IN ACCORDANCE WITH THEIR REGULATIONS AND TERMS. I also hereby authorize direct payment to Interventional Spine & Pain, PA of any insurance benefits otherwise payable to me for said services, and I further authorize this office to release any medical information necessary to process my claims. I understand that I am responsible for any charges not covered by this assignment. Should my account be referred to an attorney or licensed collection agency for collection, I shall be responsible for attorney's fees or collection expenses. I understand that, as a courtesy, Interventional Spine & Pain, PA will file a claim with my insurance. If my insurance has not paid within 60 days of the filing date, I understand that I may be made responsible for the total balance of the account. A photocopy of this agreement shall be considered effective and valid as the original.

Regarding anesthesia services for pain procedures: most anesthesia is billed out of network by the company we use, HOWEVER, most plans honor a provision for the anesthesia claim to be processed in network, because the physician and facility is in network. This means that the claim will most likely apply to the in network benefits, and your out of pocket cost would be your in network deductible or co-insurance. You should call your carrier for specifics related to your specific plan prior to any procedures.

Moreover, Dr. Nathan S. Walters has personal investments in the Texas Institute for Surgery at Texas Health Presbyterian Dallas, as well as ZL Spine Dallas, LLC.

In addition, I will be financially responsible for appointments or procedures missed if I do not give 24 hours notice to the clinic. The fee billed is \$75 for office visit and \$200 for procedures.
